

Marvel Movie & TV-Series timelines

Do you think there's missing movies? Use [the contact form here](#) and tell us. Some movies is intentionally not included in the list but could be added on request.

Content information

This is a page that tries to keep the timelines for Marvel movies up to date (it no longer only includes MCU specific movies). Parts of the list is sorted by the content of Disney Plus "Chronological view"-list. The list has also for a while included references to the series.

Earth-616 Blog!

[MCU Blog Earth616](#) has just started up to report what's going on both here, and where it's necessary.

[Marvel Plans 2021, all releases you need to know about – Disney Investor Day.](#)

Things explained

Column D+, distributed via Disney Plus. Gets a  as soon as it is available (not until then). The movies will get "correct colours" referring to their respective phases when they are released. There are also links to each movie that has an imdb reference.

Color schemes are getting updated continuously depending on their release plans:

| |
|---|
| Phase 1 (Oldest release) |
| Phase 2 |
| Phase 3 (Current) |
| Coming up next (All) |
| Coming after next (All) |
| Coming close to next year |
| Coming close in the end of next year |
| Far away from now |
| Unknown, rumoured or just a confirmed year |
| Released blacksheeps (Not directly MCU related) |
| Upcoming blacksheeps (Not directly MCU related) |

Statuses

| | |
|--|--|
|  D+ | Available at DisneyPlus |
|  TV | TV-Mini series rather than movie (Only used when it's not obvious that it's about TV-series) |
|  D+ | Coming soon to Disney + (Deprecated, as it confuses what's on and what's no) |

Where's X-Men, Deadpool and the other guys?

They are either not connected properly to the MCU, or - referring to Disney+ (for X-Men) - a legacy. They may show up in the non-mcu related section in the future.
